

What's a  
*Potato & Pudding  
party?*

Host a Potato and Pudding Party by inviting friends, family, colleagues, neighbours and anyone you can to a dinner party. You can do it any way you like, serving jacket potatoes, with any fillings, and puddings. Do it as a pot-luck style event or provide it all yourself. Ask for a donation and donate the money which will go to building the Comfort Transformation Centre in Rwanda!

## FAQs

### **Is there a set donation/cost for the event?**

No, you can either set a cost or ask people to donate what they can, which is preferable as asking for a donation allows us to claim Gift Aid, meaning more money can go to our partners in Rwanda.

### **Can I set up a page so people can donate online?**

Yes, visit our resources page, set up your online fundraising page as a team or individual. Send your link to your guests or make a QR code so they can scan and give. Alternatively, just do it in cash and send it to us!

### **Do I need to let you know I'm hosting?**

You don't need to, but we would love to know and keep track of how many parties are going on. If you can, set up a fundraising page as described above, or email us at [enquiry@comfortinternational.org](mailto:enquiry@comfortinternational.org) to let us know you are hosting and ask any questions you have. Be sure to send us some photos of your event!
